3.2 The Association shall be entitled to treat the holder of title to a "Lot" (as the same is defined in the Declaration) in Zoar Estates as the Owner and Member in fact thereof and

[^0]accordingly shall not be bound to recognize any equitable or other claim to or interest in such membership on the part of any other person whether or not it shall have express or other notice thereof, except as expressly provided by the laws of Delaware.

## SECTION 4. MEETINGS OF MEMBERS

4.1 Annual Meetings. A meeting of the Members of the Association shall be held at least once each year. The annual meeting of the Members of the Association shall include the election of the Executive Board, also known as the Board of Directors in the Declaration. The annual meeting shall be held in October each year. An alternate date may be set if requested by a majority of the Members.
4.2 Special Meetings. Special meetings of the Association may be called by (1) the President, (2) a majority of the Executive Board, or (3) at the request in writing of Voting Members having at least twenty (20) percent of the votes in the Association.
4.3 Emergency Meetings. Emergency meetings may be called by (1) the President or (2) a majority of the Executive Board.
4.4 Place of Membership Meetings. All meetings of the Membership shall be held in Sussex County, Delaware, at such place or places, within Sussex County, State of Delaware, as may from time to time be fixed by the Executive Board or as shall be specified and fixed in the respective notices or waivers of notice thereof.

## SECTION 5. NOTICE

5.1 Timing of Notice. Except in cases of emergency meetings, which may be held without prior notice, not fewer than 10 nor more than 60 days in advance of any regular or special meeting of the Membership, the secretary or their designee shall cause notice of that meeting to be delivered to each Member by any means described herein or sent prepaid by United States mail to any mailing address designated in writing by the Member.
5.2 Contents of Notice. The notice of any meeting must state the time and place of the meeting and the items on the agenda, or must state the website address where the agenda is located as provided in this section including: (i) a statement of the general nature of any proposed amendment to the Declaration or Bylaws; (ii) a statement that in the absence of objection from any Member present at the meeting, the president may add items to the agenda; (iii) any budget changes; and (iv) any proposal to remove an Officer or Member of the Executive Board. The agenda may be posted on the website of the Association, in lieu of being included in the notice, provided that the Association shall, by any means described in these bylaws, furnish to any Member who so requests a copy of the agenda prior to the meeting. Regardless of the agenda, Members shall be given a reasonable opportunity at any meeting to offer comments to the Executive Board regarding any matter affecting the Association.
5.3 Special Meetings Called by the Members. If the Association does not notify Members of a special meeting within thirty (30) days after the requisite number or percentage of

Members requested the secretary to do so (see Section 4.2), the requesting Members may directly notify all the Members of that meeting. Only matters described in the meeting notice required by this section may be considered at a special meeting.
5.4 Forms of Notice. The following methods of giving notice shall be used by the Association:
(i) hand delivery of the notice to the Member;

(iii) sent by electronic means if the Member gives the Association prior written authorization to provide that notice, together with an electronic address.
5.5 The ineffectiveness of a good faith effort to deliver notice by any authorized means does not invalidate action taken at a meeting or in lieu of a meeting.

## SECTION 6. QUORUM

6.1 Membership Meetings. A quorum is present throughout any meeting of the Members of the Association if:
(1) Persons entitled to cast at least twenty (20) percent of the votes in the Association are present in person, by proxy or by ballot at the beginning of the meeting; or
(2) Ballots solicited in accordance with Section 7.5 of these Bylaws are delivered to the secretary in a timely manner by persons who, together with those persons present in person or by proxy or ballot at the beginning of the meeting, would comprise a quorum for that meeting.
6.2 Executive Board Meetings. A quorum is present throughout any meeting of the Executive Board if persons entitled to cast a majority of the votes on such board are present throughout the meeting.

## SECTION 7. VOTING

7.1 Membership Voting. If only 1 of several Owners of a Lot is present at a meeting of the Members of the Association, that Owner is entitled to cast the vote allocated to that Lot. If more than 1 of the Owners is present, the vote allocated to that Lot may be cast only in accordance with the agreement of a majority in interest of the Owners. There is majority agreement if any 1 of the Owners casts the vote allocated to that Lot without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Lot.
7.2 Proxies. Votes allocated to a Lot may be cast pursuant to a proxy duly executed by the Owner. If a Lot is owned by more than 1 person, each Owner of the Lot may vote or register protest to the casting of votes by the other Owners of the Lot through a duly executed proxy. An

Owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the Members of the Association. A proxy is void if it is not dated or purports to be revocable without notice. A proxy terminates 1 year after its date, unless it specifies a shorter term.
7.3 Lots Owned by the Association. Votes allocated to a Lot owned by the Association may not be cast and shall not be calculated either in a quorum or in any percentage of unit votes needed for any action by the Members.
7.4 Vote by Majority. Except in cases where a greater percentage of Member votes in the Association is required in the Declaration, a majority of the votes cast in person, by proxy or by ballot at a meeting of the Members of the Association where a quorum is present shall determine the outcome of any action of the Association where a vote is taken so long as the number of votes cast in favor comprise at least a majority of the number of votes required for a quorum for that meeting.
7.5 Voting/Action by Ballot without a Meeting. Action may be taken by ballot without a meeting as follows:
(1) Any action that the Association may take at any meeting of Members may be taken without a meeting if the Association delivers a written or electronic ballot to every Member entitled to vote on the matter. A ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action.
(2) All solicitations for votes by ballot must: (A) indicate the number of responses needed to meet the quorum requirements; (B) state the percentage of approvals necessary to approve each matter other than election of the Executive Board; (C) specify the time by which a ballot must be delivered to the Association in order to be counted, which time shall not be less than 3 days after the date that the Association delivers the ballot; and (D) describe procedures (including time and size and manner) by when Owners wishing to deliver information to all Owners regarding the subject of the vote may do so.
(3) Approval by the ballot pursuant to this section is valid only if: (A) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action; and (B) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes by ballot.
(4) A ballot shall not be revoked after delivery to the Association by death, disability or revocation by the person who cast that vote.

## SECTION 8. EXECUTIVE BOARD

8.1 Administration. The property and business of the Association shall be managed and controlled by the Executive Board (also referred to as the Board of Directors in the Declaration).
8.2 Number of Board Members. The number of Members on the Executive Board (hereinafter "Directors") shall be no less than three (3) and no more than five (5). If a vacancy arises by reason of death, resignation, or otherwise, such vacancy shall be filled, for the unexpired term of that position, by a Member who shall be selected by the remaining Directors.
8.3 Nomination. Nominations for election of directors at the annual meeting shall occur only as set forth in this section. Sixty (60) days prior to the annual meeting, the Executive Board shall provide notice to the Members of positions to be available on the Executive Board. Nominations for election to the Board of Directors shall be made in writing by the Member(s) seeking election to the Executive Board no less than thirty (30) days prior to the annual meeting. If a Member proposes another Member the Executive Board shall confirm with the Member whether he or she wishes to be on the ballot. Nominations may also be made from the floor at the annual meeting.
8.4 Election. Directors shall be elected by the Members, except that if there be a vacancy in the Board it shall be filled as set forth in Section 8.2. Except for vacancies filled as set forth in Section 8.2, election to the Board shall be by written ballot. At any such election, the Members (by in-person voting or by absentee ballot) or their proxies may cast, with respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The person(s) receiving the largest number of votes cast in person, by absentee ballot, or by proxy at a meeting at which a quorum is present shall be elected. Voting shall be by straight voting.
8.5 Term of Office. Any person elected to the Executive Board shall be elected for a two-year term, provided, however, the Directors serve at the will of the Members and may be removed as set forth in Section 15. Exceptions to the provision for two year tenure shall be in the case of Director's first taking office following the turnover of the corporation by the Developer to the Members. Of the first five (5) Directors, three (3) shall hold office until the second subsequent annual meeting, and two (2) shall hold office until the third subsequent meeting. If less than five (5) Directors are selected at the turnover meeting, a similar proportion for alternating the tenure of the Directors elected shall be used. The Directors shall hold office until their successors are elected and qualified. The newly elected Directors shall succeed to Office and the outgoing Directors shall retire from Office at the first meeting of Directors following the election, which meeting is to be held within sixty (60) days of the election.

10.4 Materials Distributed Prior to Executive Board Meetings. If any materials are distributed to the Executive Board before the meeting, the Association shall at the same time make copies of those materials reasonably available to Owners, except that the Association need not distribute copies of unapproved minutes or materials that are to be considered in executive session.
10.5 Form of Meeting. The Executive Board may meet in a telephonic or video conference call or interactive electronic communication process provided that:
